## TITLE INDEX

- A comparison of the effect of welfare programme features on welfare participation: one- and two-parent families, 791  
A decomposition of training probabilities, 799  
A dynamic estimation of world productivity growth, 195  
A Kaldorian approach to regional economic growth in China, 679  
A measure of the bid-ask spread in the secondary market, 363  
A model of the skill composition of US immigration, 299  
A more general and unified measure for valuing labour market risk, 537  
A natural experiment of the effect of advertising on sales: the SASOL case, 1081  
A note on cross-country growth regressions, 1019  
A pooled dynamic analysis of interfuel substitution in industrial energy demand, 815  
A system approach to the demand for salmon in the European Union, 97  
Academic achievement and television viewing by eighth graders: a quantitative analysis, 919  
Adaptive versus rational expectations and the Fisher effect, 1  
Advertising as special service provision under non-price vertical restraints: exclusive territories in beer distribution, 433  
Aggregate imports and expenditure components in the UK: an empirical analysis, 1119  
Aggregate uncertainty, investment and asymmetric adjustment in the UK manufacturing sector, 1369  
Aid to families with dependent children (AFDC) and non-marital births in the USA: an examination of causality, 417  
An assessment of path dependence in collective decisions: evidence from football pools, 291  
An assessment of the efficiency of Spanish courts using DEA, 1391  
An econometric model of Kuwait's non-oil GDP, 783  
An empirical investigation into the permanent income hypothesis: further evidence from the Canadian data, 1451  
An examination of wage determination in China's rural industrial sector, 715  
An implicitly additive demand system, 1613  
Are deep recessions followed by strong recoveries? Results for the G-7 countries, 889
- Bettor handicapping and market efficiency in greyhound parimutuel gambling, 1181  
Bias in salary arbitration: the case of major league baseball, 255  
Bivariate cointegration among European monetary system exchange rates, 1505  
British inflation and unemployment in the 1970s: a model-based decomposition, 103
- Capital allocation: how the US compares with other major industrialized nations, 353  
Cash flow constraints and firms' investment behaviour, 1037  
Causes of Japanese firms' direct investments in US manufacturing industries, 1143  
Cointegration and tests of a present value model in the stock market, 267  
Cointegration and Wagner's hypothesis: time series evidence for Canada, 1055
- Co-movements in budget deficits, money, interest rates, exchange rates and the current account balance: some empirical evidence, 117  
Comparative accuracy of forecasts of inflation: a Canadian study, 1633  
Consumption: innovation persistence and the excess smoothness debate, 1245  
Corporate structure, ownership and the likelihood of innovation, 737  
Cost and access among non-profit hospitals in jurisdictions with and without public hospitals, 875
- Determinants of the performance of Japanese financial institutions in Australia 1987–1992, 1153  
Devaluation and the trade balance in India: stationarity and cointegration, 429  
Differing degree of price flexibilities and the policy ineffectiveness proposition, 1059  
Do Japanese auto manufacturers behave as short-run profit maximizers in the US, 157  
Drift in the relative price of primary commodities: a case where we care about unit roots, 653
- Economic and other determinants of infant and child mortality in small developing countries: the case of Central America and the Caribbean, 281  
Economic growth, export and external depth causality: the case of African countries, 21  
Economies of scale and utilization in the Swiss electric power distribution industry, 543  
Empirical measures of inflation uncertainty: a cautionary note, 333  
Employers' recruitment behaviour and vacancy duration: an empirical analysis for the Dutch labour market, 1463  
Entry and exit: a county-level analysis, 441  
Estimating unemployment inflows, outflows and long-term unemployment in Britain using the cointegration approach, 1199  
Evidence from time series on militarizing the economy: the case of Iraq, 1257  
Excess-input expenditure estimated by means of an input-distance function: the case of public railways, 491  
Exchange rates under EMS target zones: an econometric investigation, 453  
Exports, economic growth and exogeneity: Taiwan 1953–88, 467
- Family illness and temporary work absence, 1177  
Flexibility in the New Zealand labour market: national or sectional interest?, 759  
Foreign aid and government fiscal behaviour in low-income South Asian countries, 927  
Formation of inflation expectations: from the simple to the rational expectation hypothesis, 1331  
Franchising, agency problems, and the cost of capital, 1475  
Full wages, part-time employment, and the minimum wage, 1415  
Fundamental similarities in consumer behaviour, 747  
Further evidence on the Fisher effect, 851

- Grant deadweight and profitability: the case of Northern Ireland, 499  
 Growth in Africa: does the source of investment financing matter?, 1427  
 Host country characteristics and agglomeration in foreign direct investment, 833  
 House price recovery and stigma after a failed siting, 1351  
 Household migration in the Southern Cone: the case of Paraguay, 87  
 How large is the extent of the market for public goods: evidence from a nationwide contingent valuation survey, 779  
 Impact of inhaled corticosteroids on asthma hospitalization in Sweden, 1591  
 Inefficiency of foreign exchange markets and expectations: survey evidence, 397  
 Inflation, relative prices and their skewness, 577  
 Insolvency in agriculture: bad managers or the Common Agriculture Policy?, 185  
 Insurance or signals? Student perception of pre-final assessed work, 321  
 Intellectual property, technological advantage and trade performance of UK manufacturing industries, 509  
 Intermediate monetary targets and macroeconomic fluctuations, 1313  
 Internal organization and firm performance: an analysis of large UK firms under conditions of economic uncertainty, 473  
 Intervention analysis with cointegrated time series: the case of the Hawaii hotel room tax, 1281  
 Investment gestation lags: the difference between time-to-build and delivery lags, 203  
 Is a military really a luxury good? An international panel study of LDCs, 41  
 Is the US business cycle asymmetric? Some further evidence, 405  
 Is there more than one critical concentration ratio? An empirical test for the Portland cement industry, 673  
 Labour demand and job-to-job movement, 957  
 Large company capital formation and effects of market share turbulence: micro-data evidence from the PIMS database, 641  
 Lifetime earnings and the training of young men in Britain, 725  
 Locational advantage and US foreign direct investment in UK manufacturing, 605  
 Long run purchasing power parity revisited: a Monte Carlo simulation, 967  
 Macroeconomic determinants of exchange rates: a frequency-specific analysis, 55  
 Malmquist indices of productivity change in the UK gas industry before and after privatization, 29  
 Marginal risk aversion and preferences in a betting market, 371  
 Measuring the efficiency of European railways, 1027  
 Minimum wages and the gender wage gap, 1567  
 Misspecification testing and robust examination of the market model and their implications for event studies, 559  
 Modelling labour decisions of French agricultural households, 1577  
 Modelling the potency of stabilization policy for the Solomon Islands 1978:1Q–1991:4Q, 309  
 Multi-product allocation under imperfect raw material supply conditions: the case of fish products, 387  
 New evidence on the Ricardian equivalence theorem: a multicoinegration approach, 695  
 Non-stationarity and tax-effects in the long-term Fisher hypothesis, 883  
 Nontradable goods prices and per-capita income: an application to regional Korean data, 551  
 On-the-job Search: the case of Nevada Test Site contractor employees, 1475  
 Optimum tariffs for vertically differentiated products with an application to Indian tea exports, 273  
 Outmigration of US immigrants, 1167  
 Portfolio analysis with a large universe of assets, 1191  
 Predictors of HMO efficiency, 1381  
 Price and quality components of imports of food products into the UK, 1225  
 Price inertia: money supply and price changes, 343  
 Purchasing behaviour of higher- and lower-income shoppers: a look at breakfast cereals, 131  
 Rational expectations in the foreign exchange market? some survey evidence, 1601  
 Regional disparities and national similarities in Spanish unemployment: a case of seasonal cointegration, 1529  
 Relative undernutrition in Puerto Rico under alternative food assistance programmes, 1009  
 Rewards to academia: the remuneration of vice chancellors and principals, 631  
 Sample selectivity models for away from home expenditures on wine and beer, 1421  
 Saving decisions and fiscal incentives: a Spanish panel-based analysis, 1105  
 Sectoral cointegration, structural break and agriculture's role in the Chinese economy in 1952–92: a VAR approach, 1269  
 Segmented trend modelling of the US GNP series, 531  
 Special-interest-group perspective before and after the Clayton and Federal Trade Commission Acts, 773  
 Specification of functional form and the estimation of technical progress, 947  
 Strike incidence and the business cycle in Ireland, 765  
 Structural stability in a cross-country neoclassical growth model, 1555  
 Sustaining quality in tourism destinations: an econometric model with an application, 1545  
 Technical efficiency and scope economies in hospitals, 1295  
 Temporal causality and the dynamics of different categories of crime and their socioeconomic determinants: evidence from Australia, 1093  
 Testing covered interest parity under Fisherian expectations, 71  
 Testing for superexogeneity of wage equations, 663  
 Testing the null of stationarity against the alternative of a unit root: an application to the Italian post-war economy, 327  
 The balancing item in Australia's balance of payments accounts: an impressionistic view, 1303

- The demand for English league football: a club-level analysis, 139  
The demand for telephone services, 175  
The determinants of the demand for private health insurance under Medicare, 1623  
The differing effects of pre- and post-1981 federal budget deficits on tax-adjusted real interest rates, 45  
The distribution of Federal grants-in-aid: the increasing importance of PACS relative to state and local political parties, 975  
The economic environment and entry to single parenthood in Great Britain 483  
The effect of commute time on racial earnings inequality: a case study of the Houston metropolitan statistical area, 1339  
The effect of unionization on the gender earnings gap in Canada: 1971–1981, 1405  
The effect of wage restraint on labour market flows, 999  
The effect of worker mobility on compensating wages for earning risk, 221  
The effects of tax increases on negotiated wage increases in the Canadian private sector, 1495  
The expansion of temporary help employment in the US, 1982–1992: a test of alternative economic explanations, 1127  
The gilts markets as an 'on-line window' on expected inflation, 909  
The impact of an unexpected political resignation on exchange rates, 247  
The impact of BSE on the demand for beef and other meats in Great Britain, 687  
The impact of industrial structure on changes in unemployment in GB travel to work areas 1989–92, 1263  
The importance of locational choice in an empirical labour supply model, 521  
The incidence and intensity of wage indexation: an empirical analysis, 233  
The incidence of, and returns to overeducation in the UK, 1345  
The influence of gender on faculty salaries in the United States, 1969–89, 857  
The interaction between the frequency of market quotations, spread and volatility in the foreign exchange market, 377  
The long-run relationship between the real exchange rate and terms of trade in OECD countries, 1075  
The money multiplier, simple sum, Divisia and innovation-Divisia monetary aggregates: cointegration tests for the UK, 705  
The myth of incomes policy in the Netherlands, 899  
The relationship between job satisfaction and managerial remuneration in small and medium-sized enterprises: an empirical test of 'comparison income' and 'equality theory' hypotheses, 567  
The revenues associated with relaxing admission standards at division I-A colleges, 807  
The significance of quality differences for the United States and Canada wheat trade, 985  
The structure of costs and production in New Zealand public hospitals: an application of the transcendental logarithmic variable cost function, 75  
The variances of wholesale and retail prices: tests of a Marshallian hypothesis, 585  
Three approaches to predict the timing and quantity of LDC debt rescheduling, 241  
Through-time changes in family income inequality: the effect of non-synchronous regional growth, 1515  
To fine or to punish in the late Middle Ages: a time series analysis of justice administration in Nivelles, 1424–1536, 1213  
Tobacco consumption and taxation in Italy: an application of the QUAIDS model, 595  
Trade connections and interest rate linkages among ASEAN, Japan and the USA: an empirical analysis, 617  
Training and the time to find a job in Israel, 935  
Trucking deregulation and labour earnings in the USA: a re-examination, 865  
Unemployment hysteresis in Canada: an approach based on long-memory time series models, 823  
US real wages and imports, 1435  
Valuation of the quality characteristics of Japanese soybean imports, 841  
Wage determination in agricultural labour markets under monopsonist labour-tying arrangements, 163  
Welfare generosity: the importance of administrative efficiency, community values and genuine benevolence, 1045  
Welfare implications of increased US beef promotion, 1235
